

Archdiocese of Seattle

BPIC online training – administrator webinar

Link to recorded webinar: <http://ajg.adobeconnect.com/p9g9hclnlvl/>

These pre-recorded “classes” are aimed at training so that we call all help to reduce RISK at our locations. You, as the administrator of the system, will assign the online training to employees and volunteers. The above 45 minute webinar will give you an overview of the program and teach you how to assign trainings.

Please view the webinar and when finished e-mail Stephen Erni Stephen_Erni@AJG.com at Arthur Gallagher for a password/login so that you may become your location’s administrator. Each location should have ONE administrator.
