

# YOUNG ADULT MINISTRY STARTER KIT

## START HERE!

YOUNG ADULTS ARE IN TRANSITION, DEVELOPING AND SEEKING:

LEADERS IN YOUNG ADULT MINISTRY NEED TO ASK THEMSELVES A FEW QUESTIONS:

Who are the young adults that I know?

- Are they recent high school graduates? Recent college graduates? Still in school?
- Are they single, married, new parents, recently divorced or widowed?
- Are they transplants to a new city or town, looking for community?
- Are they seeking their vocation or discerning their call in life?

Where are these young adults in their spiritual lives?

- Do they want to serve others in the context of the Church?
- Are they interested in faith-filled friendships?
- Do they want to learn more about their faith through study?
- Are they so committed to Jesus Christ that they want to evangelize others?

## CHALLENGE: HOW WELL DO I KNOW THE YOUNG ADULTS IN MY COMMUNITY?

Have you had a meal with them, chatted after Mass or gotten to know them? Take some time to do this; it can shape your whole ministry!

ONCE YOU HAVE ANSWERED THESE BASIC QUESTIONS, YOU CAN START PLANNING YOUR MINISTRY!

## READY TO GO?

  - Set up a meeting with your pastor and talk about the need you have identified.

This list is sequential, but it also builds.

When you move onto the next step, keep doing the one before it.

Prayer and the Sacraments - encounter with Christ- is the foundation of everything.

- 1 **Pray** every day. Receive the **Sacraments** (Eucharist and Confession) regularly.
- 2 **Pray for your friends and young adults you meet** at your parish. Develop a heart for others.
- 3 Develop intentional, **authentic friendships**. Have fun, go deep, do what you love.
- 4 Invite your friends (from your parish or outside the parish) into a **small group community**. You can study Scripture, the lives of the saints, a Church document - anything that points you to Christ.
- 5 **Challenge your friends** in your small group community to pray daily, receive the Sacraments, pray for each other, develop intentional friendships...and if they are interested and ready, to invite their friends into a small group community.
- 6 **Respond to the needs of your community**. Participate in service opportunities, get involved in the Sunday liturgy, find experts on topics to lead a discussion, attend a retreat as a group. Check out The Scroll for other ideas!
- 7 **Pray** at the beginning and end of everything. **Pray for each other**.
