

Sacred Heart Mission Team

*“Love recognizes
no barriers.
It jumps
hurdles,
leaps fences,
penetrates walls
to arrive at its
destination full
of hope.”*

-Maya Angelou-

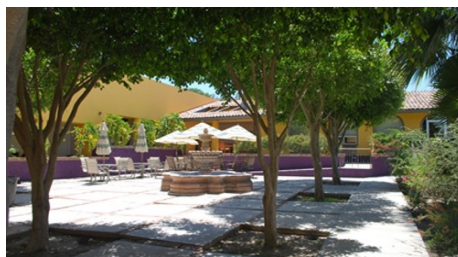

A team of fifteen Sacred Heart parishioners (ages 16 & up) will be spending a week of their summer in Tijuana, Mexico working with Esperanza International.

During our week of service, we will work with families to help build safe and secure homes. Working with the family and community that will benefit from this new house. In addition, we tour and work with other non-profits that serve other needs in the large and incredibly poor city of Tijuana.

Tijuana's estimated population is 2.6 million with over 10,000 new arrivals to the city each month. Such uncontrolled growth means that many houses are one room and constructed with cardboard, pallets, plastic, etc and indoor plumbing is a seldom seen luxury.

Many families have only one wage earner, earning an average of just \$83 US dollars per week. It is incredibly hard for them to save up for a safe house. These are the families we will be serving.
