Independent Auditor's Report

Most Reverend Paul D. Etienne
Roman Catholic Archbishop of Seattle
and the Board of Directors
Called to Serve as Christ Campaign Fund
Seattle, Washington

Opinion

We have audited the financial statements of Called to Serve as Christ Campaign Fund (the Campaign), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Campaign as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Campaign and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Campaign's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Campaign's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Campaign's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Summary of Significant Accounting Policies

Organization

Called to Serve as Christ Campaign Fund (Called to Serve or CTSC) is a nonprofit corporation that was initiated to provide long-term funding for the retirement and medical needs of priests and women religious and to support individual parishes. The Archbishop of Seattle is the sole member and appoints Called to Serve's Board of Directors.

The objective of the campaign was to raise \$100 million. Through June 30, 2022, more than \$65 million has been pledged. The campaign has been structured with a goal established for each parish based on a percentage of their ordinary giving income over a three-year historical timeframe. The campaign ran in four parish waves. As of June 30, 2021, all four waves have been conducted. Donors made pledges that typically ranged from three to five years. Payments are then made against those pledges. Many pledges were also one-time up-front gifts. As money is received each quarter, the Board of Directors meet quarterly to approve distributions to the beneficial recipients after expenses are paid and any reserves are determined.

Priest Retirement and Medical Needs

The Archdiocese of Seattle has a canonical responsibility to provide senior priests with a pension and medical benefits. The historical "pay-as-you-go" model for the priest pension and medical plans was sustainable when parishes paid into the plans for a large number of active priests and a relatively small number of retired priests received benefits. Now, with the shortage of priests in active ministry and a large and growing number of retired priests, the historical model is no longer sustainable. Called to Serve was created to generate funds to build up the priest pension and medical plans and fund them for the foreseeable future.

Notes to Financial Statements

Support for Women Religious

The Archdiocese of Seattle celebrates a rich history supported by women religious in many ministries. From schools to hospitals, stretching from the Columbia River to the Canadian border, the positive impact and reach of their work is undeniable. Aiding the sisters' pension and healthcare needs will allow them to continue their ministries, sharing God's love and presence with others.

Parish Share

Parishes are the cornerstones and gathering places for the faith community. To follow the example of Jesus, the Archdiocese supports its parishes in their mission to serve parishioners in their daily lives. As part of the campaign, 15% of the cash raised by each parish will be retained for local needs. Each parish has a goal, and if they exceed their goal, based on cash collected, 85% of that excess then goes to the parish.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from the estimated amounts.

Financial Statement Presentation

Called to Serve reports information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Current donor-imposed restrictions are temporary in nature and will be met by the passage of time.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the campaign considers cash in checking and savings accounts to be cash and cash equivalents.

Contributions Receivable

Contributions receivable that are expected to be collected within one year are recorded at net realizable value. Contributions receivable that are expected to be collected in future years are recorded at fair value, which is measured at the present value of the future cash flows. The discount is computed using risk-adjusted interest rates applicable to the years in which the pledges are received. The discount rates used ranged between 2.6% and 3.5%. Amortization of the discount is netted with contributions revenue in the statement of activities.

The collectability of contribution receivables is determined primarily through analysis of historical collection results, especially those of the initial "pilot" wave and 2018 wave, which both began in 2018. Collection on those waves are substantially completed. The result of this analysis is a

Called to Serve as Christ Campaign Fund

Notes to Financial Statements

\$2,800,000 allowance on pledges of \$8,212,500 at June 30, 2022. The June 30, 2021 allowance was \$2,855,000 on pledges of \$16,528,700.

Revenue Recognition

Contributions and bequests received are recorded as with or without donor-imposed restrictions, depending on the existence and/or nature of any donor restrictions. Contributions and bequests with donor-imposed restrictions are then reclassified to net assets without restrictions when the restrictions are met. If a restriction is met in the period the contribution is received, the contribution is recorded under net assets without donor restrictions.

Contribution revenues are recognized when the unconditional promise to give is made.

Bequests are recognized when Called to Serve is informed that it will receive a bequest and the amount to be received is known by Called to Serve, which is generally after completion of the probate process.

Donated Services

In-kind contributions of goods and services are recognized at estimated fair values if they (a) create or enhance nonfinancial assets or (b) require specialized technical skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated.

Volunteers contribute a significant amount of time to Called to Serve's program services, administration, and fundraising and development activities. These donated services do not meet the requirements for recognition in the financial statements and have not been recorded.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Amounts on the statement of functional expenses of Called to Serve are recognized on a direct basis.

Income Taxes

CTSC is a nonprofit organization and is exempt from federal income taxes.

Reclassifications

Certain items from the prior year financial statements have been reclassified to conform to the current-year presentation. These reclassifications had no impact on net assets or changes in net assets as previously reported.

Subsequent Events

Management of CTSC has evaluated subsequent events through the date these financial statements were available to be issued, which was October 11, 2022.
