

Don't Grieve Too Long

Don't grieve too long for now I'm free
I've followed the path God set for me
I ran to him when I heard his call
I swished my tail and left it all.

I could not stay another day
To bark, to love, to romp or play
Games left unplayed must stay that
way
I found such peace, it made my day.

My partings has left you with a void
Please fill it with remembered joy
A friendship shared, your laugh, a kiss
Oh yes, these things I too shall miss.

Be not burdened with ties of sorrow
I wish you the sunshine of tomorrow
My life's been full, you've given so
much
Your time, your love and gentle touch.

Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your head and share with me
God wanted me, he set me free!
