Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.
I come into Your presence to seek refuge in you.
You are my rock my strength.
Savior, make me whole.
Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.

Be merciful to me O Lord; heal my pain.
Take away the sadness Lord.
Fill me with Your love.

Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.
I come into Your presence to seek refuge in you.
You are my rock my strength.
Savior, make me whole.
Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.

Be merciful to me O Lord; heal my fears.
Take away my deepest fears.
Fill me with Your peace.

Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.
I come into your presence to seek refuge in you.
You are my rock my strength.
Savior, make me whole.
Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.

Be merciful to me O Lord; heal my guilt.
Take away my hardened heart.
Fill me with your love.

Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.
I come into Your presence to seek refuge in you.
You are my rock my strength.
Savior, make me whole.
Healer, heal me; cleanse my soul.
Savior, touch me and make me whole.

They Know Not

When they crucified my Lord amidst two criminals
He hung upon the nails and died but not before He cried:

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.

All the pain I held inside from those who hurt my pride.
I tried to hide; I tried to fight as I bled inside my heart.

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.

My heart was torn;
I was alone and no one understood
as I bled inside;
I stood my ground
but I crumpled deep inside.

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.

By this we know love that He laid down His life for us,
and we ought to lay down our lives for our brethren's sake.
By this we know love that He laid down His life for us.

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.

Father, forgive them for they know not what they do.
Father, forgive them for they know not what they say.
