- Age of 12: one can be legally hired to work
- For every \$1 you spend on produce, a farmworker only gets 9 cents
- Agriculture is one of the most hazardous occupations in the U.S.

Most dramatically of all, farmworkers too often struggle with food insecurity, meaning the workers who feed America too often cannot feed their own families.

SERVICE, COMMUNITY + PRAYER

Groups have the opportunity to encounter siblings in Christ through service, community, & prayer.

The week (Sun. afternoon-Thurs. morning) includes: **Prayer + Formation** - Daily sessions of prayer, social justice formation, & reflection root our work in Christ and Catholic Social Teaching; Mass & Adoration

Community Building - Engaging activities help strengthen your group & community through the culture of encounter

Agape Food Bank - Groups spend a day & a half setting up and running a food bank for the farmworker community in Whatcom County

Mobile Food Distribution - Working to eliminate barriers to food (ex: transportation), groups bring food directly to farmworker housing sites

Summer Enrichment for Children of Farmworkers - Create community with children at local farmworker housing sites; provide educational & recreational activities (ex: sports, games, crafts, reading)

Volunteer Farm Work - Support local mission-oriented farms; helping farms that are caring for creation & people

Donations

- Groups are asked to collect donations for Agape Food Bank in their communities prior to their week
- You will be assigned specific donations to be collected (ex: hygiene items, clothing, etc.)

Community Living

We intentionally live simply to enter into a spirit of solidarity. Group Leaders need to ensure their groups are ready to enter into a simplistic, community-centric week.

- We recognize that the communities we serve may not receive the quantity and quality of food that we may be accustomed to, therefore we serve simpler meals to bring us closer to our family in Christ.
- The groups share in the responsibility of daily chores.
- Groups will stay at Assumption Catholic School & Parish, sleeping in classrooms. Groups will sleep in separate rooms according to gender, and will sleep on the floor.
- Showers at a site in the community will be provided 2 times during the week.

PARTICIPATION

Group Size

The maximum number of **youth participants per week is 40**; if a parish/school group is smaller, you will have the opportunity to combine with another group of middle or high school youth.

Expected Adult Participation

The group's adults play a necessary and important role in the Agape week. Their involvement and positive leadership sets the example and creates a rewarding experience for the youth and the community we serve.

- **Preparation** - It is imperative that the group leader prepares their chaperones to be ready for this experience and ensures that the adults know what it means to be a chaperone.
- **Transportation** - Adults are responsible for their group's transportation to and from Agape, as well as throughout the week. (Agape staff cannot transport participants.)

Group Leader vs. Adult Chaperone/Leader

- **Group Leader** - Every group is required to have a group leader (ex: youth minister, teacher, parish volunteer) who will serve as the main contact with the Agape Staff. We are ready to support you with engaging and practical resources as you prepare and form the youth and adult leaders.
- **Adult Leaders** - You will need 2 adult chaperones (21 years of age or older) for the first 8 youth, and 1:8 thereafter. Please note, a minimum of 2 adults per gender is required (this requirement can be shared among groups sharing weeks).

You get to focus on your youth and their spiritual growth because we take care of the logistics and programming.

Staff - Agape has 7+ passionate, faith-filled, and experienced program staff who work together to coordinate and plan the entire program. This includes: planning for the summer, facilitating morning and evening sessions of prayer and reflection, leading community building, cooking and general cleaning, shopping for supplies, and leading service projects.

5+ of the staff are college-aged young adults (typically including 1 seminarian) who are on fire for their faith and excited to work with youth - this offers a unique opportunity for youth to witness the faith lives of college students.
