

Participant's Guide

"What are our gifts?"

Process reminders

- We are working together to re-envision our parish family and understand how we want to be one community moving forward. So, your voice is important. Thank you for participating.
- This confidential listening session is a "safe place" where people should feel free to share openly. Please be sure to maintain confidentiality.
- During this listening session, each person shares in turn. There is no back-and-forth, no responding, no agreement or disagreement. We simply listen without responding.
- The facilitator will keep time as needed.
- At the end of the round, each person will share what they heard.
- Even if someone "says what you were going to say," go ahead and share from your own perspective.
- There will be time for free conversation at the end of the small group session.

Round One

How have your experiences in our parish (and your experience of the parish's gifts and charisms) brought you closer to God? What has been spiritual impact of your participation with our parish?

Round Two

If you had to describe the main gifts and charisms of our parish to a newcomer in one sentence, what would you say? What is your favorite part about being a parishioner? What stands out to you as something to be proud of?
