## CHRISTIFIDELES CERTIFICATE IN HISPANIC MINISTRY

---

This 16-month certificate program equips participants with the practical skills and abilities necessary for effective ministry in a Hispanic context within the Archdiocese of Seattle. Drawing from key insights emerging from the rich Hispanic/Latino Ministry experience in the U.S., the curriculum includes formation in human, spiritual, intellectual, and pastoral skills as well as a pastoral practicum component.

This certificate program is for current and future Hispanic ministers, both paid and volunteer, and others who experience a call to Hispanic ministry in various capacities in their parish families and surrounding communities. Participants attend classes as a cohort within the Christifideles program and benefit from retreats, evenings of reflection, and other Christifideles activities.
