The pastor establishes the number of recognized holidays for their parish. Parish full time employees receive 13 holidays which may or may not be listed above. Please review policies to ensure that they are being consistently applied.

The pastor and principal establish the number of recognized holidays for their school. Every school differs in the number of holidays grant ed to employees. The number is usually less than the parish and Chancery, due to longer periods of breaks over summer, Christmas and Easter.

For more information regarding holidays for the schools please consult the school policies and the OCS policy manual to ensure they are consistent.
