Parish Family Advisory Council Listening Session Recap

Document E4: What should we be called?

Event Hosts: PFAC/PFLT members | Audience: PFAC members

Proposed process

Hold a PFAC discussion to answer these questions. Provide the information gathered through the "Who do we want to become?" listening session, and the questions below in advance of this discussion. Ask members to pray over what they heard in the voice of their community and to begin thinking about how to respond. This will lead to the proposed parish names list and the community recap report.
